

The Millennium

Model 471212 Millennium

When cast iron standards are specified in the education market, the Millennium is an outstanding solution. The gently rounded, plastic, upholstered back, and plastic, cushioned seat are comfortable and attractive, and the strength of cast iron standards provide years of maintenance free use.

Model 471266TA Millennium

The attractive Millennium features an upholstered, plastic rounded back, cushioned plastic seat, laminate surfaced tablet arm, and radiused aisle standards, providing a simple decorative appeal to spruce up the interior design of educational auditoriums.
